

# The Cascade Furniture

- New for 2008, our Cascade line of furniture is focused on a simpler design and lower price.
- Available only in Western Maple, some figure is naturally present in random spots.
- The Cascade Diner has the same lumbar support and comfort as our well known Pacific Chair.
- Dining chair seats may be chosen from our three “Cascade” fabrics or you may supply your own
- The Cascade Table uses the same heavy duty metal extension slides and finish as our better known line of tables
- Made in the same shop with the same craftsmanship as our other furniture
